

BRIGHT MINDS, BRIGHT FUTURES

Annual Campaign
YMCA OF PUEBLO

The Y's early learning, out-of-school time, and teen leadership offering are staffed with people who understand the **cognitive, physical and social development** of kids and young people, the support parents and families need, and the importance of maintaining a safe, clean environment for children to learn and thrive. At the Y, infants develop trust and security, preschoolers experience early literacy and learn about their world, and school-age kids make friends, learn new skills and get help with their schoolwork.

CHILD DEVELOPMENT CENTER

YMCA Child Development programs inspire kids and families to be the best they can be in mind, body and spirit. The Y believes that each child should be recognized as an individual, and treated with respect and inclusivity in regards to gender race, socioeconomics, family status, faith, and abilities. We are committed to helping children become lifelong learners, have fun, and make new friends.

AFTERSCHOOL & OUT-OF-SCHOOL TIME PROGRAMS

Our after-school programs provide a space for transformative learning experiences in a caring setting during these critical hours that help young people discover what they love to do. We provide continued structure for kids all while encouraging skill building, creative exploration, physical activity, and most of all, fun!

TEEN LEADERSHIP PROGRAMS

At the Y, we understand that investing in our young people is one of the best ways we can strengthen the future of our community. That's why we offer a variety of programs and experiences that allow teens to express themselves, engage with the world around them, and learn how to build healthy relationships with their peers and the world around them. With the help of role models and mentors, these teens develop the skills they need to lead positive change in their community.

Your gift of \$150 supports a child to attend a month of afterschool care, providing a safe and fun place to stay while parents are at work.

Your gift of \$250 provides a safe setting, character values, positive role models and enrichment activities for 5 children to attend a Fridays at the Y program day.

Your gift of \$500 subsidizes a FREE 5-week season of Unity Sports for an elementary school in Pueblo.

Your gift of \$1,000 provides tuition for two high school students to participate in the Y's Youth in Government program, building the next generation of civic leaders.

Your gift of \$2,500 gives a preschooler access to safe and enriching care in our Child Development Center for three months.

The YMCA Annual Campaign is a yearly fundraising effort that allows us to fully realize our mission, especially as it relates to the last two words: "for all." This annual fundraising initiative serves as the backbone of our philanthropic efforts by securing charitable gifts from the YMCA community to ensure our programs and services remain accessible. The Y recognizes the importance of accessibility and is determined to make membership and program fees affordable for everyone in our community.
