**ANNUAL CAMPAIGN
VOLUNTEER MANUAL
YMCA OF PUEBLO**

TOGETHER
WE FIND OUR Y

WELCOME

Dear YMCA Volunteers and Staff,

I'd like to start with my heartfelt gratitude for all that you give to the Y. It is because of you—your time, talents and financial support—that the YMCA continues to be a champion of diversity, equity, inclusion, and belonging in Pueblo County and our surrounding neighbors.

As someone who has been personally impacted by the Y, you are no doubt aware of how the Y can change lives for the better. The Y has been in Pueblo for 136 years, and we have served hundreds of thousands in that time. As times have changed, so have we, always working to respond to the needs of our community. What hasn't changed is the generosity of volunteers who make the work that we do possible.

Funds raised in the Annual Campaign ensure that we can truly be "For All" and allow everyone who comes through our doors the opportunity to reach their potential. The donations we receive give us the opportunity to say "yes" and subsidize the cost of memberships, program fees, and youth programs so that no one is ever turned away because of an inability to pay.

Thank you for joining me and our Y as we rally around our mission to be for all. Together, we are building a stronger community for today, tomorrow, and for the future.

With sincere gratitude,

Brandon Samora
Director of Sales and Mission Advancement

"I believe that if we continue to invest, support, and believe in our young people, as the Y's young founders did more than 180 years ago, that our future is in good hands."

- Brandon Samora

WELCOME

OUR MISSION

The YMCA of Pueblo's mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

We are an association made up of people from every walk of life, working side by side to strengthen communities. Together we strive to ensure that everyone, regardless of age, race, gender, gender identity, gender expression, income, faith, sexual orientation or cultural background has the opportunity to live life to its fullest. Through the generous contributions to enjoy YMCA programs.

OUR COMMITMENT

We know that lasting personal and social change comes about when we all work together. That's why, at the Y, strengthening community is our cause. We are a charitable association of adults and children joined by a shared commitment to nurturing the potential of children and teens, promoting a healthier way of life, and supporting our neighbors. That's why we have three distinct areas of focus:

- ▶▶ **YOUTH DEVELOPMENT:** Nurturing the potential of every child and teen.
- ▶▶ **HEALTHY LIVING:** Improving the nation's health and well-being.
- ▶▶ **SOCIAL RESPONSIBILITY:** Giving back and providing support to our neighbors.

OUR VALUES

Our core values are the shared beliefs and essential principles that guide our behavior, interactions with each other, and decision making. Through all our activities, events and services, we encourage people to accept and demonstrate positive values and we are committed to this approach on strengthening our community.

- ▶▶ **CARING:** Show a sincere concern for others
- ▶▶ **HONESTY:** To be truthful in what you say and do
- ▶▶ **RESPECT:** Treat others in a kind and friendly manner
- ▶▶ **RESPONSIBILITY:** Be accountable for your promises and actions

THE ANNUAL CAMPAIGN

Not everyone is born with the resources to succeed. Many people across the country are made to feel invisible because of environmental circumstances. But the truth is, all people are capable of greatness. All communities are filled with beauty. And the Y is dedicated to helping people grow.

The YMCA Annual Campaign is a yearly fundraising effort that allows us to fully realize our mission, especially as it relates to the last two words: “for all.” The Y recognizes the importance of financial accessibility and is determined to make membership and program fees affordable for everyone in our community.

Led by YMCA volunteers, the Annual Campaign serves as the backbone of our philanthropic efforts. This organized effort secures charitable gifts from YMCA members and the community to ensure our programs and services remain accessible. Every donation stays within our Y in the form of financial assistance and subsidies. These funds ensure all community members have access to the Y and advance programs that address community needs.

The Y is a leading 501(C)3 nonprofit committed to strengthening communities through youth development, healthy living, social responsibility and giving back. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. Deeply rooted in the community for more than 136 years, we have the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change.

In order to do this, it takes people. Caring, committed people who realize that a vibrant YMCA ensures that everyone has the opportunity to live, grow and thrive.

“I’m grateful for the Y’s Unity Sports program and believe that other schools would benefit from this. It’s helped with our attendance, academics, and our culture... Most of all, it’s helped our kids BELIEVE IN THEMSELVES.”

Principal, Minnequa Elementary School

THE ANNUAL CAMPAIGN

OUR NEED FOR SUPPORT

The YMCA is one of Pueblo County's leading non-profits, acting as a catalyst for community transformation through youth development, healthy living, and social responsibility. In 2023, the Y provided \$1,068,496 in support, services, and program subsidies to kids and families-in-need.

Investing in young people, particularly those who are farthest from opportunity, is key to advancing equity and justice while building whole-person health for all. That's why this year's Campaign is centered on four primary areas of need:

- ▶▶ **Building Belonging:** At the Y, we believe that Belonging is the currency of social capital – without it, our work to create a more just and welcoming community for all will never be realized.
- ▶▶ **Bright Minds, Bright Futures:** We work hand-in-hand with schools and youth-serving agencies to foster social, academic, and emotional learning in our child development center and out-of-school-time programs.
- ▶▶ **Best Summer Ever:** Camp Jackson and outdoor experiential learning help build leadership, life, and community building skills by blending traditional camp experiences with a modern curriculum. The Annual Campaign gives all youth the chance to build a lifelong appreciation and love for the outdoors.

THE ANNUAL CAMPAIGN

OUR GOAL

Through our 2025 Annual Campaign, you can help 3010 families access the YMCAs life-changing programs and services in Pueblo County. Just \$100 helps children achieve their potential, builds healthier lifestyles for adults and seniors, and brings our community closer together. Every gift makes a difference and moves us closer to our goal of \$275,000.

Each YMCA responds to the unique needs of the communities we serve. From water safety to disease prevention, youth literacy to college readiness, safe spaces to social impact, everything our Y does is in service of making us – as individuals and a community – better.

Every day, the Y supports kids, adults and families who need us most with programs that protect, teach, connect, heal, nourish and encourage. It's how we empower communities and the "us" who live in them to realize their incredible possibilities and full potential. We can't do it alone. We count on the generosity of our donors to make a better us possible. Every dollar donated stays local and helps us address our community's most critical needs.

STRUCTURE

- ▶▶ Major Gifts: \$175,000
- ▶▶ Special Events: \$30,000
- ▶▶ Staff Campaign: \$12,000
- ▶▶ Community Section: \$58,000

THE ANNUAL CAMPAIGN

CAMPAIGNERS

First and foremost, thank you in advance for your time and effort in support of the Annual Campaign. Together, we truly can strengthen the foundations of community. The Annual Campaign is the Y's primary vehicle for raising sustainable charitable gifts from members and the community, but it's more than just a fundraising tool. It brings together committed volunteers, members, and donors to pursue a common objective: ensuring that our Y has the resources to make an enduring impact in our community.

As an Annual Campaign Volunteer, you are the essential link between the YMCA and individuals & businesses in Pueblo County. You'll share and listen to Y stories, helping connect others to the impact of the Y in a powerful and personal way. Campaigners are the most vital and irreplaceable element of the campaign, serving several critical roles within the campaign structure:

- ▶ Tell our story to raise awareness of the Y's impact throughout our community.
- ▶ Be willing to give and raise the vital resources necessary to serve our kids, families and seniors.
- ▶ Help us thank the donors who support our cause each year.
- ▶ Attend and assist with Campaign events and initiatives.
- ▶ Celebrate with us as we change lives of kids, families, and seniors!

And to help you succeed, the Y will:

- ▶ Provide you with high-quality, engaging coaching and materials to make a successful ask.
- ▶ Have staff available to assist with any donation request you may wish to make jointly.
- ▶ Provide you access to tangible and online fundraising tools.
- ▶ Recognize and steward donors and gifts.
- ▶ Send you weekly progress reports during the campaign.

Your support with the campaign is making it possible for the Y to ensure that no one is turned away due to inability to afford our services. Annually, our campaign supports thousands of youth, families and individuals through character building Y programs that help them learn, grow and thrive. More importantly, through your sharing of the Y story, you are perpetuating the cause and mission of our organization.

THE ANNUAL CAMPAIGN

STORYTELLING

Storytelling has emerged as one of the most powerful methods for communicating the Ys cause and advancing critical efforts such as fundraising; engaging staff, members, boards and community representatives; and building a cause-driven culture. Storytelling is a key technique that celebrates and reminds us to live our cause every day.

As a YMCA volunteer, it is important that you can share your own story with people in the community. Below is a prompt to help you think about your Y story. Fill out the prompt to help you articulate how the Y has made a difference in your life or someone you know, then practice your story with a friend. This tool will help you communicate the Y's cause to your potential donors. Give it a try!

ASK FOR SUPPORT

MAKING THE ASK

Success in securing a gift for the YMCA is not based on luck. There are many ways to ask for a gift, but the best ways to require informed and well-prepared volunteers who really believe in the critical importance of the YMCA to our community. Here's a few steps to take to prep for your ask.

1. GIVE A MEANINGFUL GIFT

Giving our own gift to the Annual Campaign is the first step in any successful ask. It's an important step to show others that we mean what we say as we work to build trust with our community.

2. TEAM UP

The Y is about relationships... and the Annual Campaign is no different! Whether it's another Ambassador or a YMCA Staff Leader, feel free to make your asks with the support of a partner.

3. MEET & ASK FACE-TO-FACE

While we do utilize phone calls, emails, and letters to invite people to give, nothing is more successful than an in-person ask.

4. GET TO KNOW YOUR DONOR

Personal giving is often driven by personal relationships. The Y as an organization works hard to build relationships with our donor, members, and community, however we can't do it alone. As our Ambassadors, we rely on you to connect deeper with our donors and community. You are the Y!

- ▶ "HI, (FRIEND NAME), this is (YOUR NAME). As you know, I'm a volunteer with the YMCA and we're conducting our Annual Campaign. Thanks again for taking the time to talk with me about the YMCA and the good work we're doing."

5. ASK ABOUT THEIR INTERESTS

Once you've built that relationship, now it's time to learn about what interests them about the Y's service to our community. We have a wide reach of impact and programs, so it's important we know what they'd like to learn more about and potentially support with their gift. Using the materials provided at training will help make you a more effective Ambassador.

- ▶ "I have been a member and/or volunteer for the last ___ years and I have been able to see and hear first hand the impact that the YMCA has on our youth and families."
- ▶ "Do you or your family have any history or background with the Y or its programs?"
 - ▶ If "Yes"... "Tell me about your experiences with the Y." (Respond appropriately to the experiences related with positive statements about the Y's values)
 - ▶ If "No"... "Are you familiar with all the work that the Y does in our community?" (Wait for response and respond appropriately)

ASK FOR SUPPORT

6. SHARE STORIES OF IMPACT

Communicate the story and the case with enthusiasm and passion! Share your Y story or stories of others to demonstrate community needs and what benefits their gift will provide. Just tell your story and connect it to the Annual Campaign's significance.

- ▶▶ "This year, we're planning to raise \$275,000 to support programs and services that will help children, families, and seniors throughout our community."
- ▶▶ "What's unique about the YMCA is that we do not turn anyone away because of an inability to pay. Annual Campaign dollars help underwrite financial assistance for things like after school programs, Camp Jackson, Swim Lessons, and YMCA memberships."
- ▶▶ "What's even better is that we weave character building values into every program that we run. That's one reason why we say that the YMCA strengthens the foundations of our community."

At the end of our Volunteer Manual is a list of stories for you to share with prospective donors based on their own interests and passions. Remember to use your storytelling script on the previous page!

7. INVITE THEM TO GIVE

Use information from the prospect's area of interest to ask for a specific amount and then wait for them to respond. If no focus was given, just use one of the programs in the case to make your request.

- ▶▶ "I can tell that Camp Jackson has meant a lot to you and your family over the years. Would you consider joining me in making a donation to scholarship a family in need to Camp next year?"
- ▶▶ "Will you consider a contribution of \$ ___ this year, or \$ ___ per month for 10 months?" (Silence... let them answer.) If prospect is unresponsive... "Let me give you a better idea of how you can help..."

8. PAUSE & WAIT FOR A RESPONSE

Too often, our nervousness will lead us to anxiously answer our own invitation to give. We will talk the donor out of giving if we're not careful. So once the ask is made, smile and wait for the donor to respond.

9. THANK THE DONOR

You did it! You and the donor just changed a life! Celebrate and thank the donor for their gift!

- ▶▶ "Thank you so much!" The YMCA really appreciates your generous support... and so do I."
- ▶▶ "Would you prefer to pay your gift in full or on some other basis?" (Complete details of the pledge.)
- ▶▶ "You'll receive an acknowledgment (and an email confirmation for online giving) from the Y in the very near future. Let me check if the contact information I have for you is correct."

10. STAY IN TOUCH

Follow up with any additional info or simply more thanks to the donor in the days following the ask. This helps us show the donor how important they are to our Mission.

CHOOSE THE RIGHT TOOLS

We strive to provide all of our campaign volunteers useful and functional tools to improve the fundraising experience. This section will provide an overview of each of the tool's available for this year's campaign.

PLEDGE CARDS

These are the backbone of the giving process and are the most common way our donors make a commitment to the Y. The most common format is a 8.5"x11" paper form, but can also be found in booklets and brochures. While the type of document can vary, what information is collected stays consistent.

Required information includes:

- Name, Address, Phone, and Email
- Donation or Pledge Amount
- Donation instructions, like payment type (CC, check, cash), frequency, and reminder dates

Whether a pledge or donation, these completed forms can be returned to the YMCA or emailed to bsamora@puebloymca.org. When a pledge card is not available, an email can be used in its place as long as the information above is included within it.

ADDITIONAL PRINT MATERIALS

As part of your campaigner toolkit, additional printed materials are provided for you to pair with our pledge cards and customize your fundraising experience. These include:

- Campaign Brochures - Printed bi-fold brochure that outlines the Annual Campaign's purpose, needs, and goals.
- Thank You Cards - YMCA Thank You Cards make it easy for you to provide the first of several acts of appreciation we will show our donors together.
- YMCA Stationary - YMCA-branded stationary makes it easy for you to write or type a letter to your donors.
- YMCA Envelopes - YMCA-branded envelopes help you send and receive correspondence and donations with your donors.

These items are available directly from the YMCA or can be downloaded from the campaigner toolkit page of our website.

ONLINE GIVING

The YMCA of Pueblo provides an online giving platform on our website. These tools have the benefit of efficiently engaging prospects with a pledge while giving them a convenient payment method for their donation. This can be found visiting www.puebloymca.org/give.

Downloadable social media graphics are available via our [Campaigner Toolkit page on the website](#).

STAFF ASSISTANCE

Building experience and knowledge about the YMCA and Annual Campaign takes time. Campaigners are not expected to be expert fundraisers – they are simply asked to make connections. Campaigners are invited to seek the assistance from the YMCA staff, if so they choose, to make an ask. The staff person will share stories of the Y's impact and explain how the prospect's pledge would help us change our community.

We have two suggested ways to utilize staff in your fundraising efforts:

- ▶▶ Mission Tours – Especially with prospects that have little or no prior experience with the Y, a tour of the YMCA and/or program is an impactful way to connect them to our cause. These visits allow the prospect and campaigner to see the Y in action as they are led through the facility by a YMCA staff person.
- ▶▶ Off-Site Asks – Bringing along a YMCA staff person to an ask can alleviate the stress and pressure of a one-on-one ask. It also can help volunteers learn by watching a trained development-professional tell the Y story.

To reach out for assistance or to schedule a visit, please email bsamora@puebloymca.org.

CREATE YOUR PROSPECT LIST

Whether you're new to fundraising or you've been involved in the Annual Campaign for years, it's always best to begin by mapping out who you'll ask to support the Y this year. Many Y volunteers ask the question of where do I find donor prospects to consider donations to the Y? The answer to this question can be found by considering the relationship that you have on a daily basis. Studies show that people give to people that they know and trust before they give to a cause or organization.

Below you'll find a Donor Prospect Worksheet that can help you think 'outside the box' on potential donors. These can be personal relationships like friends and neighbors, professional relationships like colleagues and vendors, or community relationships like fellow club or church members. One of your first assignments as a Campaign Volunteer is to complete this worksheet by the end of the first week of the Annual Campaign.

Not sure who to ask? Reach out to the Y staff and we can help you identify people in your network AND introduce you to past donors to the Annual Campaign who are currently unassigned to a Campaigner.

WHY DO PEOPLE GIVE?

Asking someone for a contribution becomes much easier when it is understood that people make charitable gifts for many different reasons. Your prospects may be motivated to give for many reasons. Some of the reasons cited most often by people when they make a gift are:

- ▶ Reinforcement of Values – Where someone’s values are in direct agreement with the mission of an organization, they will make a gift out of solidarity. At the Y, we are a cause-driven organization focused on improving the health and happiness for everyone in our community.
- ▶ The Right Thing – Some people give simply because they know it is the right thing to do. They recognize that they have been fortunate and they want to make a difference in the world. Once they identify an organization that is successful at improving society, they see a vehicle for their generosity.
- ▶ Personal Connection – The YMCA has a number of friends who have shared some history. They are (or were) involved with the YMCA as a member, volunteer, or program participant and they wish to demonstrate their personal gratitude toward the YMCA for what we have done for them or for their family.
- ▶ Recognition – Some People, and particularly some companies, will want to participate for recognition opportunities. Many corporations have, as part of their mission statement, a need to be good “corporate citizens.” Donors like to be recognized through their association with the YMCA.
- ▶ Confidence and Trust – These two motivating factors place great emphasis on the idea of “peer to peer” solicitation. If the prospect is sitting across from a solicitor whom they respect, it will greatly influence their decision. They appreciate being asked to give – especially by someone they respect.
- ▶ Tax Savings – Some people give because they want the tax break. This is also another strong motivator for companies, who often include a certain amount of charitable giving in their budget. As a 501(c)3, all donations made to the Y are tax deductible.

WHO GIVES TO THE YMCA?

In a recent national study, researchers found that the biggest group of donors come from individuals more than any other grouping of donors. Study results:

- ▶ Individuals – 75% of donations – People who feel connected to a cause. In our case, this can be anyone in the community that feels we can do more to build healthy spirit, mind, and body for all.
- ▶ Foundations – 13% of donations – Charitable foundations that’s scope of giving matches the work of the cause-driven charity.
- ▶ Bequests – 7% of donations – Legacy giving built into wills and estate planning
- ▶ Businesses – 5% of donations – Businesses and corporations who culture aligns with the mission and focus of the organization and has built a relationship with it.

FREQUENTLY ASKED QUESTIONS (FAQ)

WHAT IS THE YMCA?

The YMCA is a private not-for-profit, human service organization funded by membership and program fees, contributions from YMCA friends, corporations, foundations and grants. The YMCA offers family programs, youth programs, senior programs, and more.

ARE GIFTS TO THE YMCA TAX DEDUCTIBLE?

Yes, the YMCA is a 501(c)3 tax exempt organization. Charitable gifts to the YMCA are tax deductible to the fullest extent of tax laws.

I ALREADY PAY MEMBER DUES... WHY SHOULD I DONATE?

Your dues only cover the costs of Y membership. Membership revenue is used for operational costs such as staff and building expenses. Additional dollars are needed to subsidize programs and provide financial assistance. The YMCA needs your support in this campaign to reach into the community and provide safe, high quality, character building programs for all.

I'M NOT A MEMBER, WHY SHOULD I GIVE TO THE YMCA?

Your support is still needed. The YMCA provides meaningful opportunities for young people to grow into responsible adults and provides every participant a safe and loving environment. The YMCA makes your community a better place to live and work.

I GAVE LAST YEAR... IS IT TOO SOON TO BE ASKING AGAIN?

Each year contributions help the YMCA deliver vital programs and services. You can pledge now and pay later in the year. The YMCA can bill you one time or in installments.

WHAT DO I DO IF SOMEONE HAS A COMPLAINT?

Listen to and record the complaint. Assure the individual that you will follow up with the YMCA and that someone will get back with them. The YMCA will respond to any concern. Once people feel their concerns have been heard, they will be more likely to listen to your request for support.

HOW WILL MY DONATION BE USED WITHIN THE Y'S BUDGET?

100% of the campaign money raised through our campaign stays in our community. Also, 100% of your donation is used directly to support subsidized programs and provide financial assistance.

"NOW IS NOT A GOOD TIME - CAN I GIVE LATER?"

As a donor, you can choose to contribute smaller amounts monthly, quarterly, or semiannually, or give one lump sum later in the year. Pledging your support now and making a payment later is often the preferred way to give generously.

ASK FOR SUPPORT

KEYS FOR SUCCESS

JUST ASK

The number one reason people give is because someone asked them. Being asked to give is a chance for someone to feel good and to do good. To feel best prepared, try to answer the following questions:

- ▶ Why do I volunteer? Why do I give?
- ▶ What benefits have I received from the YMCA? What is the best part of the Annual Campaign?

AIM HIGH & BE SPECIFIC

When the time is right, ask for a specific amount and focus on impact. By asking for a specific amount that ties to one of our programs, you show respect for the prospective donor and genuine excitement for them to join us in strengthening community.

EMPHASIZE PLEDGING

A pledge is a deferred payment to the Y. Most contributors will give more if pledges are made, instead of donations. A generous gift of \$500 becomes \$100 per month for 5 months or \$250 per quarter.

Pledges also allow faster reporting and recognition of the gift. Although the donor may choose to donate later in the year, a pledge allows their gift to be recorded during the Annual Campaign - this helps us meet goal even faster.

VISIT THE YMCA OF PUEBLO

Witness firsthand the YMCA mission and programs funded by the Annual Campaign. Talk to staff and ask questions. It will be easier to tell others about the programs when you can share a personal experience.

ASK FOR SUPPORT

THE THANK YOU

Immediately following your conversation, jot a little note that is applicable to your conversation with your prospective donor. We encourage you to write a note to those prospects that give as well as prospects with which you have a conversation, but may not obtain a gift. Thank them for their time and consideration.

Our Mission guides us in all we do and compels us to embrace, reflect and celebrate the richness of diversity within each other, and our community. We invite, welcome and involve everyone to work side by side with us to further our cause.

SUGGESTIONS FOR WHEN A GIFT IS MADE

- ▶ I enjoyed visiting with you. Thank you for being a member of the YMCA.

“Thank you to those who have donated. Your donations have not been in vain. The Y really saved me when I was in a dark time. It helped me mentally, emotionally, physically, and really be a part of this community. This place was instrumental with my family recovering from a very serious trauma.”
